1) Finalize digital citizenship week plans

We added the words “dress up or wear” to the flyer to make it more clear for parents. The flyer was approved. It will be copied at the district and sent home with students on Friday, December 7.

2) Complete Digital Citizenship Plan

We completed the Plan together and submitted it to the district.

3) Safety Drills completed this year.

September - Fire

October – Lockdown- all doors lock so we cannot get back in if we go out.

November - Bomb Threat – I did not use the word bomb during our practice so as not to alarm the children.

December will be ESCAPE for administrators only. For example, if something was happening in the building and children were outside, we would not bring them in to danger.

4) Weather guidelines 22 or 25 degrees?

Sent an email for a vote. The majority voted for keeping students in at 22 degrees or below.

22 degrees – 6 votes

25 degrees – 2 votes
