1) Summer Reading – thoughts about promoting it
SCC wants grade level bookmarks. Want series to encourage more reading. Get ideas from teachers and students. Make a master list of all recommended books and put those on the Willow Springs SCC website so parents can look for books on other grade levels. Put that link on the bottom of each bookmark. We could also send that master list through Peachjar.

2) Report on Safety Drills held during the year:
August/September – fire
October – lockdown – (threat inside the building)
November – bomb threat
December – ESCAPE (active shooter information for employees only)
January – fire
February – shelter in place (threat outside the building)
March – hazardous material
April – earthquake
May – public health emergency (employees only)
Reviewed all drills from this school year.
