# SCHOOL COMMUNITY COUNCIL ELECTIONS

School Community Councils are elected parent/guardian and employee representatives who work together with the principal to increase student achievement. By law the Council is responsible to review school data and develop plans for school improvement. Councils also allocate the Land Trust funds to assist the school in reaching achievement goals. Please see the School Land Trust web page for more information regarding the roles and responsibilities of Community Councils <https://schools.utah.gov/schoollandtrust>

Parents elect parent representatives and employees elect employees for two-year terms. To be eligible, a parent must have a student enrolled in the school for at least one of the years and may not be employed by the school for more than an average of six hours per week per month. Elections are held in the fall. We currently have **a few positions** open. Please think about nominating yourself. Nominations will be open until **August 26<sup>th</sup>**. If a vote is required we will vote August 29-September 2.

**We invite you to become involved in your school's Community Council by declaring your candidacy.** Please return the bottom portion of this form to your school's principal.
