

Willow Springs School Song Contest

Being a Willow Springs Wildcat makes us want to sing and shout, so it's time we write ourselves a Wildcat School Song! We want our song to be written by our very own Willow Springs students and their families . . . That means YOU.

Want to submit a song? Here are some guidelines to follow:

- You may write original music, or change the lyrics to a popular melody. If using a pre-existing melody, please look for one that isn't copyrighted. A good way to do this would be to think of a fight song or a folk song that you could change the lyrics to.
- When writing your lyrics, try to add in as much of Willow Springs as you can! We'd love our song to be filled with our school colors (purple and white), Willie the Wildcat, or our PAWS rules (Practice Safety, Act Kindly, **W**ork Hard, **S**how Respect).
- Our school song should feel like a celebration! Songs should be upbeat and fun to learn and sing. You could add hand motions, claps, or other fun cheers! Songs should be about 30 seconds long.
- Need some inspiration? Here are some School Song examples we found online.
